Improving services to industry for priority document exchange

Niclas Morey

Director, International Co-operation

29 March 2017

Priority document exchange at the EPO

- The EPO is currently member of the PDX priority document exchange and will continue with this service in future
- The EPO will also join WIPO DAS, tentatively in the 2nd half of 2018
- In addition, the EPO is considering the issuance of electronical digitally certified priority documents
 - *The EPO will meet differing requirements of users*
