

Working Together Toward A Sustainable Patent System

David J. Kappos
Vice President and Assistant General Counsel
Intellectual Property Law

Environment

- Innovation is top issue for CEOs
- Economic challenges create a new IP marketplace
- Increased competition for ideas
- Strong patent systems required to enable collaboration

The past:

- Proprietary
- Controlled
- Unique

The future:

- Open
- Collaborative
- Shared
- Integrated

Challenges faced by patent offices

Advances in patent office collaboration

Five IP collaborative framework announced

- Elimination of unnecessary duplication of work among the offices
- Enhancement of patent examination efficiency and quality
- Guarantee of the stability of international patent rights

Five IP

- European Patent Office (EPO)
- Korean Intellectual Property Office (KIPO)
- Japan Patent Office (JPO)
- State Intellectual Property Office of the People's Republic of China (SIPO)
- United States Patent and Trademark Office (USPTO)
